

We're looking for students to join us for a **SIDE-BY-SIDE** concert with the Salt Lake Symphony, **NOVEMBER 3, 2018, 7:30pm**

The Salt Lake Symphony will be performing Rossini *Overture to La Gazza Ladra* as part of our concert on **Saturday, November 3, 2018 at 7:30pm** in Libby Gardner Hall (1375 E. Presidents Circle). We're inviting area orchestra students, grades 10-12, to perform this piece as section members with the Salt Lake Symphony. We've done this now for several years, and our orchestra members and our audiences have enjoyed the talent and enthusiasm of these young performers. The kids have, of course, had a blast. Students will need to attend all rehearsals, and will be expected to prepare their parts at home. We're looking for all orchestral instruments (violin, viola, cello, bass, flute, oboe, clarinet, bassoon, trumpet, horn, trombone, tuba, percussion, although no more than one student on a part for winds, brass and percussion)

- Students must be in grades 10-12
- Students must first send notification of intent to participate. You may e-mail, text, phone or snail mail your application before music will be given. **No walk-ins.**
- Students must attend, without fail, all three (3) rehearsals. One miss, you're out. Please clear your calendar before committing.
- Students must have a private instructor who is willing to work with them on their part.
- **Teachers, we rely on your judgment in deciding what your students can handle musically.** We want everyone to be challenged, but to also have an enjoyable experience.
